

Mosap Alaa

Filmmaker - Project Manager

ABOUT ME

As a filmmaker and professional Cinematographer i find myself able to create authentic and creative campaign ideas for marketing and also able to manage a project from zero to hero.

WORK EXPERIENCE

Phoenix Designers, Sudan

Graphic Designer

(2014 -2016)

started my career as a graphic designer from social media designs to photoshop manipulation and working on developing my skills. responsible for creating graphic designs.

Phoenix Designers, Sudan

Head of photography

(2016 -2018)

after two years in working in a developing work environment i was able to learn photography as a professional which led me to be the head of photography in the company, responsible of the studio sessions.

EC.Production, Sudan

Videographer

(2018 -2019)

The study never stopped there but i was too ambitious to create more and i started my journey into videography, and was a lead videographer at EC.Production shooting different things such as (weddings- events- interviews - documentary).

FujiFilm Holdings, Egypt

Head Of Photography

(2019)

after relocating to Egypt due to the 2019 revolution i started working in FujiFilm Egypt and held the branch at Alharam st for a year covering all kind of services (passport photo - weddings -events - Portraits)

5D Studio Production, Egypt

Director Of Photography, Editor

(2020)

as my experience never stopped as a photographer i joined the 5d studio team and created a lot of amazing music videos for well known artists.

AMG Advertising, Egypt

Project Manager

(2021)

this role was a huge step in my career being able to start project for big client and manage it to final delivery in success was the goal and we were up for the challenges in AMG advertising clients like (frank's sinatra restaurant - Talat Mustafa - Lamar - Cofftea)

Graphious Production House, Sudan

Creative Director, Project Manager

(2021)

my journey didn't stop there yet it was just begun i transitioned back to Sudan after having a lot of knowledge to shoot Sudan as a creative director and project manager working two marketing campaigns for (share taxi - music videos - morouj) and the project that makes me proud with on of the lead filmmakers in the world (MARK HARRISON -fulltime travel filmmaker) filming Sudan tourism sites.
